

FOR IMMEDIATE RELEASE

LOCAL DELIVERY SERVICE JUMPS IN TO HELP RESTAURANTS WITH TAKE OUT OR DELIVERY ORDERS IN PHOENIX

DRIVERS NEEDED AND RESTAURANTS
CAN SIGN UP FOR TAKEOUT AND DELIVERY

A Positive Story to help others

LOCALLY OWNED FOOD DELIVERY SERVICE WANTS TO HELP OUT IN ANY WAY THEY CAN

- Food Delivery Drivers Needed to help Local Restaurant Deliver FOOD from restaurants to customers. We are seeking Uber and Lyft Drivers to sign up to help with deliveries. Uber has a platform for food delivery, but Lyft drivers do not so if they want to join a service to be able to deliver food, they can join DeliveryDine.com
 - Any Restaurant that wants to join the service for take-out or delivery may join for free; they need only to contact DeliveryDine.com so Delivery Dine can set up an online menu for customers to place orders.
 - Note: Restaurants have a lot of foods that need to be used and there are many in need.
 - Customers can order both take-out and/or delivery from DeliveryDine.com
 - Important Note: Delivery Dine has an option for drivers to leave FOOD at front door, so drivers and customers can avoid contact
 - To sign up as driver or sign up your restaurant visit: DeliveryDine.com
-
- Eric Carpenter has owned and operated Delivery Dine since 2006
 - Please send all requests for interviews to: deliverydine@yahoo.com
 - Visit Media Page for interview content and contact <https://www.deliverydine/media>
